Ministry of Jihad-Agriculture  
of Islamic Republic of Iran

Plant Protection Organization

The Agency of Plant Protection and Quarantine under the Ministry of Agriculture of the Republic of Uzbekistan presents its compliments to the Ministry of Jihad-Agriculture of Islamic Republic of Iran and informs the following.

In compliance with your letter No.45/730, dated March 25, 2023, the Agency sends phytosanitary requirements for the exportation of corn seeds (*Zea mays*) from Iran to Uzbekistan.

At the same time, with the aim of regulating imported goods to Uzbekistan, the Agency would highly appreciate it if the Iranian side could provide the list of corn seeds producers.

The Agency of Plant Protection and Quarantine under the Ministry of Agriculture of the Republic of Uzbekistan avails itself of this opportunity to renew to the Ministry of Jihad-Agriculture of Islamic Republic of Iran of its highest consideration.

Attachment: on 2 pages.

Deputy Director General

A handwritten signature in blue ink, appearing to be 'N. Kasimov', with a long horizontal line extending to the left.

N.Kasimov

**Phytosanitary requirements for corn seeds (*Zea mays* spp)  
for import into the territory of the Republic of Uzbekistan.**

Regulated products imported into the territory of the Republic of Uzbekistan must be free from quarantine objects included to the List of pests, plant diseases and weeds of quarantine importance for the Republic of Uzbekistan.

1. Imported seeds must be free of soil and other foreign bodies.
2. Each package of regulated products must be labeled containing information about the product name, country of origin, exporting country and (or) re-exporting country.
3. Imported plants must be free from:
