Subject: Phytosanitary Certificates for Exports and Imports in Brazil.

Dear IPPC contact points,

We would like to inform you that, in the coming days, Brazil's NPPO will begin operating a new version of its new national system for issuing Phytosanitary Certificates and ePhytos (SHIVA). This updated release introduces expanded functionalities and several improvements, aiming to enhance efficiency, consistency, and interoperability with our trading partners.

Should any unexpected issues arise during this transition, please feel free to contact us. Our technical and operational teams will be available to provide support and ensure continuity of phytosanitary certification exchange.

We appreciate your kind understanding and cooperation as we implement these system improvements, confident that this evolution will contribute to smoother and more reliable certification procedures for all parties involved.

Sincerely,

EDILENE CAMBRAIA SOARES

Director of the Department of Plant Health and Agricultural Inputs

NPPO of Brazil
